ORDER:

The M/s Shalivahana Cement Industries Ltd. in the letter 1<sup>st</sup> read above & the Chief Engineer, Dr.B.R.Ambedkar Pranahitha Chevella Sujala Srvanthi, Hyderabad in the letter 2<sup>nd</sup> read above have requested the Government to accord permission for draw water 0.138 TMC per annum from Peddavagu River for the proposed Cement plant with a capacity of 2.60 MTPA and proposed power plant with a capacity of 60 MW unit at Chincholi (V), Wankidi (M), Adilabad District.

2. The Engineer-in-Chief (Irrigation), Hyderabad in the letter 3<sup>rd</sup> read above has stated that the Chief Engineer, DR.BRPCSS Project vide letter dt: 25-04-2011, informed that there is no LRR and URR effect due to drawl of 0.138 TMC by M/s Shalivahana Cement Industries Ltd.,. Even though there is a permission of 16 TMC of water allotted to industrial use, the actual drawl of the water for this industry is not from the water conveyor system of the project and has no connectivity with Pranahitha Chevella Project and also suggested that the water utilization by the agency is only 0.138 TMC which is a meager compound to the net available yield of 11.335 TMC after meeting Upper and Lower riparian utilization. The Chief Engineer, Medium Irrigation vide letter dt: 12-07-2011 informed that there will not be any affect on Peddavagu and Jagannathpur projects to draw 0.138 TMC water from Peddavagu river as the net available yield of 11.335 TMC.

3. Under the circumstances reported by the Engineer-in-Chief (Irrigation), I & CAD Department, Hyderabad, in the references 3<sup>rd</sup> & 4<sup>th</sup> read above, Government after careful examination of the matter hereby accord permission for drawl of 0.138 TMC water per annum from Peddavagu river from M/s Shalivahana Cement Industries Ltd., at Chincholi (V), Wankidi (M), Adilabad District, subject to obtaining permission from District Collector, Adilabad and Pollution Control Board before drawl of water and also subject to payment of water rate for consumptive use as per G.O.Ms.No.39, I&CAD(PW:COD)Department, dt: 02.04.2002 and at the rate as fixed by Government from time to time and subject to usual terms and conditions and subject to obtaining other Department permission as per Law/Rules.

4. The Engineer - in- Chief (Irrigation), I&CAD Department, Hyderabad shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)

Dr. SHAILENDRA KUMAR JOSHI  
PRINCIPAL SECRETARY TO GOVERNMENT
